Overview

This is going to be one of the unique fairs, which will not limit itself to Seminars to meet the students, but it will include the Schools Visit, personalized sessions at the seminar event, meeting with local colleges/schools and recruiting students for UG, Grad and Summer programs.

A road map build by us and these potential degree seekers are thus assisted for whatever best they requisite based on their profile. Our Seminar locations are followed as : Bangalore, Mumbai, Ahmedabad, Vadodara, Anand, Indore.

Your warmth presence will illuminate the event to the extent where the students would be communicating with you and having direct access to the institution's information for entry. This is the road map we want to build for them that could be trouble-free and convincing.
