Montevideo ,16 th September 2015.-

*To whom it may concern*

*Mr Alok Kumar Keshri gave a motivational talk to our advanced students today.They were a group of sixteen and seventeen-year old students who are sitting for the Certificate of Advanced English exam at the end of this year.-*

*Mr. Alok delivered a most powerful , motivational and emotional speech with tremendous enthusiasm and kept all the students engaged non- stop during an hour and a half which, considering the age of the students, is not an easy task to perform.*

*Mr Alok dominates techniques of communication which he skilfully adapts to the audience he has and he manages to make the students take in the chore of his speech which will enable them to perform better and be successful at the challenges that lie ahead of them.*

*For all these reasons I strongly recommend him as a motivational speaker.-*

*Yours truly*

*V.R.*
