Why you meet with Endicotte College Delegates During Edu Fair Event?

Why Endicott?

Endicott is a co-educational, independent college located in Beverly, Massachusetts, 32 kilometers north of Boston, the college 'capital' of the world. The 231 - acre oceanfront campus has been described as one of the most spectacular in the United States and grants Bachelor, Master, and Doctoral degrees combining liberal and professional studies. U.S. News & World Report ranks Endicott among the top tier of best regional universities in Northern United States, as well as top colleges for internship. The educational experience allows students to explore their options and expand their horizons with a dynamic curriculum combining liberal arts, professional studies and required internships. Students are prepared to face the challenges of their chosen career field through their work in the classroom and in three different professional settings. Over 53% of the members of the Class of 2015 received their first career position at one of their three former internship sites. The undergraduate student population of 2,700 includes students from 34 states and 33 countries with 90% of students residing on campus. State-of-the-art facilities provide a dynamic, student centered environment, fostering a strong campus community through a wide variety of academic offerings, NCAA Division III varsity athletics, study abroad opportunities, and an assortment of student clubs and organizations.

Benefit to Study in Endicott

Endicott was the first college in the USA to require 3 distinctive internship experiences. Our students are graduating with a degree and a resume and employed by some of the best companies in the world.
