### Why Lewis Clark College?

Lewis-Clark State College, in Lewiston Idaho is ranked #2 in Idaho by the Economist and is the fifth best public four-year baccalaureate institution in the West according to U.S. News & World Report. With its beautiful campus, small classes, and superb faculty, LCSC is often described as a public institution with the feel and quality of a private college. International students who come to LCSC will experience the best of "small town America" in a safe and welcoming community that is centrally located a short distance from the Pacific Coast's trendiest cities, Seattle and Portland, and some of the U.S. most majestic scenic settings, Yellowstone National Park, The Grand Tetons, and Glacier National Park. In addition to quality education delivered by educators who know their students by name, LCSC offers a college prep semester for students who would like to perfect their English and learn how to succeed in the American classroom. Come join us and explore the Warrior Way!
