Why you meet with University of North Alabama Delegates During Edu Fair Event?

Why UNA?

The University of North Alabama (UNA) is a coeducational University located in Florence, Alabama, and the state's oldest four-year public university. As one of the oldest universities in the United States (1830), UNA offers a variety of academic programs that are very popular with international students which included AACSB accredited BBA/MBA, ABET accredited Chemistry/Industrial Hygiene, 7 other STEM programs, and choices of Fine Arts and Liberal Arts programs. UNA has strong commitment to improving academic quality, an effort perhaps reflected in the 2008 edition of U.S. News and World Report's America's Best Colleges, which ranked the University as a top tier public University and one of the Safest College Campuses 2015 from www.bestcolleges.com (<http://www.bestcolleges.com>)
