

An aerial photograph of the Park University campus during autumn. The main building, a large stone structure with multiple spires and a central clock tower, is the focal point. It is surrounded by lush green lawns and numerous trees displaying vibrant orange, yellow, and red foliage. A winding stone path leads up to the building. In the background, more campus buildings and a dense forest of colorful trees are visible under a clear sky.

A photograph of three students in a classroom. In the foreground, a young Black woman with curly hair is leaning over a desk, writing in a notebook with a blue pen. Behind her, another student is partially visible, also working. To the left, a third student is out of focus, wearing a green and yellow patterned shirt. The background shows a window with a view of trees outside.
