

Worried About Your English Language Proficiency?

To apply to the University of Windsor, you do not need an English Test score.

International students who do not have a test score, or whose test score is below the accepted level, may be accepted into their program on the condition they complete the University of Windsor's ELIP program before starting their degree. Conditional admission still allows students to obtain a study visa into Canada.

Accredited by Languages Canada, our English Language Improvement Program (ELIP) is an intensive, full-time program for non-native speakers who need to improve their English language skills before enrolling in full-time degree programs. As a University of Windsor ELIP student, you are a member of the campus community. You study on campus and use all of the university's facilities and resources.

- Improve your English and be directly admitted into your program upon completion
- Study with the best: all ELIP instructors are qualified ESL teachers
- Programs are student-focused with small classes
- High success rate in academic programs following ELIP

TEST	MINIMUM SCORE
IELTS	6.5
CAEL	60
MELAB	85
TOEFL (IBT)	83 with 20 essay
PTE	60

Minimum undergraduate required score

GET THE WINDSOR EXPERIENCE

Founded in 1857, the University of Windsor is one of Canada's oldest and most established universities and now offers over 150 different programs.

The faculty go the extra mile for their students, guiding them through challenging projects, motivating them to perform to the best of their abilities and engaging them through active learning. Our experienced professors bring their extensive scholarship and wide-ranging, real-world experience into their classrooms. But there's a lot more than just lectures. There is an exciting mix of experiential learning such as co-op, field placement, internships and research opportunities plus a wide range of student clubs, volunteer positions and recreation available for all students.
